## ACRYLIC WALL ARTS

Reised Acrylic Artwork is ready to hang. The image is printed behind quarter inch thick acrylic for added depth while protecting the image from dust and dirt.

This modern technique is used widely in museums, galleries as well as high end hotel lobbies, adding a third dimension to the art.

This technique allows the image to really shine through, providing a brilliant glossy effect and crispness that is unprecedented.

This artwork is a must for any space!

# RUGS

## ELEGANCE & STYLE

We have a wide variety of rugs for each need, from Shaggy to Polyester and different sizes that will fit each space.

Here you will find modern and classic rugs full of personality, in which the design plays with the conjugation of straight lines and abstract shapes.
